

Vinyl- and Finish Care  
**Natural floor revitaliser**

Technical\_Data\_Sheet\_Label

29.01.2022 - p. 1/2

Care for your vinyl floor, laminate floor or urethane finished wood floor using Vinyl- and Finish Care. This care product smoothens small scratches, increases the resistance of the surface and provides effective protection against wear. This product extends the lifetime of the surface or floor. Because Vinyl- and Finish Care does not build up a thick coating, you can use the product whenever it is required.

- **Care treatment to refresh floors**
- **Extends the lifetime of the floor**
- **Protects against wear and scratches**
- **Easy to use**
- **IBR-certified**

## AppArea

For all types of vinyl, laminate, PVC and finished/painted surfaces.

## Work\_Descrip\_Label

Preparation_Label	<p>Wash the floor thoroughly with WOCA Intensive Wood Cleaner, until the surface is perfectly clean. Wash the floor again with clean water afterwards. Leave the floor to dry completely before application of Vinyl- and Finish Care.</p> <p>Always remember to test on a less visible spot to check the compatibility of the surface with the product.</p>
Treatment	<p>Shake the container well before use. Apply the concentrated care product in a thin and even coat, using a WOCA Wool Pad and WOCA Pad Holder. If the cloth/mop becomes dirty, rinse in clean water and wring thoroughly. Then continue the application. Do not apply additional Vinyl- and Finish Care once a surface has begun to dry. Leave the floor to dry for approx. 60 min. before use. No polishing or other treatment is required afterwards.</p>
NoteTxt	<p>For regular cleaning of the treated surface, use WOCA Vinyl- and Finish Soap.</p>

## DryingTime

DryingTime	1-2 hours at 68°F
------------	-------------------
