

Vertical Balers

B-series

Baler B20 VD

Flexible baler for various types of industries

Compact different types of recyclable materials including cardboard, paper, and soft plastic.

Bales are perfect pallet size

Bale dimension is optimized for transport and finished bales fit on a standard EUR pallet.

Highlights

- Easy tying of the bales
- High throughput
- Short press cycle
- Front-placed strap rolls for close-to-wall installation
- High compression ratio
- Bales fit on a standard EUR pallet
- Powder Coating provides durable finish in many colors.

Optional Extras

Personalize your baler with a custom RAL colour of your choice.

Prevent unauthorized people from operating your baler with a digital auto lock.

With our monitoring system BRA-IN you can control and optimize your baler fleet.
