

Exterior Multi Cleaner is an environmentally-friendly, ready for use spray for cleaning poly rattan and plastic garden furniture and fencing. The product is very easy to use and effectively removes grime and greasy stains.

- **Ready for use**
- **Effective, yet mild cleaning product**
- **Good penetration**
- **Environmentally friendly**

Application area

For cleaning all poly rattan and plastic outdoor surfaces, such as garden furniture, fences and tables. The surface should be treated afterwards with WOCA Exterior Multi Protector.

Work description

Preparation	Tough stains can be removed using WOCA Wood Stain Remover. Wet the surface using a garden hose or similar. Shake the spray well before use. Always remember to test on a less visible spot to check the compatibility of the surface with the product.
Treatment	Spray Exterior Multi Cleaner onto the wet surface from a distance of approx. 20-30 cm in a thin, even layer until the surface appears saturated. Carefully scrub the surface using a sponge or brush and rinse with water. Dry down with a lint-free cotton cloth and leave the surface to dry for approx. 2 hours.
Note	The cleaned surface will now have no protection and should therefore be impregnated the same day, using WOCA Exterior Multi Protector.

Drying time

Drying time	2-3 hours at 20°C
-------------	-------------------

Technical data

Declaration	Water, <1% non-ionic surface active agent, <1% preservative agent
Density	Approx. 1.0 g/ml
pH-value	Approx. 10-11
Shelf life	36M
Application Temperature	+ 15-25°C
