

Exterior Wood Cleaner was developed for the thorough cleaning of all types of wood surfaces, such as terraces, garden furniture, fences, canopies, doors and windows. The product quickly and efficiently dissolves dirt, thereby assuring an optimal surface for subsequent treatment.

- Effective removal of dirt and grease
- Prepares the surface for subsequent treatment
- Environmentally friendly and easy to use

Application area

For new and old wood. Ideal for surfaces such as garden furniture, terraces, fences, canopies, window frames, doors and carports. Can also be used on masonry and concrete.

Work description

Preparation	Treatment should only be performed in dry weather conditions. Avoid direct sunlight and excessive heat. Remove all loose foliage, branches, etc. and then soak the wood with water. Use a garden hose if possible.
Treatment	Mix Exterior Wood Cleaner with water in a ratio of 1:2 - 1:10, depending on how dirty the wood is. Apply the cleaner in an even coat, using a brush or spray nozzle. Leave the cleaner to work for five minutes. Scrub in the longitudinal direction of the wood grain using a stiff-bristled brush, until the surface is clean. We recommend WOCA Silicium Carbide Brush or Outdoor Scrubbing Brush for the best results. Repeat if necessary. Rinse the surface with plenty of water and leave the wood to dry for a minimum of 24 hours.
Note	Exterior Wood Cleaner can also be used on masonry and concrete. Wood which has been thoroughly cleaned with Exterior Wood Cleaner should be treated with WOCA Exterior Wood Oil or a similar product for optimum protection. If a completely smooth surface is desired, any uneven wood fibres can be removed with sandpaper grit 180-240 before oiling or other treatment.

Drying time

Drying time	24-48 hours
-------------	-------------

Technical data

Density	1-1.1 g/ml
pH-value	11
Shelf life	36M
Application Temperature	+15-30°C.
Mixing ratio	1:2 - 1:10, depending on how dirty the wood is.
Storage	+ 10-30°. Keep out of reach of children. Must not be exposed to heat (e.g. sunlight). Store frost-free.
Packaging	1 L - 2.5 L
