

Care for your vinyl floor, laminate floor or lacquered wooden floor using Master Care Ultra-Matt. This care product smoothenes small scratches, increases the resistance of the surface and provides effective protection against wear. This extends the lifetime of the surface or floor. Because Master Care Ultra-Matt does not build up a thick coating, you can use the product whenever it is required.

- **Care treatment to refresh floors**
- **Extends the lifetime of the floor**
- **Protects against wear and scratches**
- **Easy to use**

Application area

For all types of vinyl, laminate, PVC and lacquered/painted surfaces.

Work description

Preparation	Always remember to test on a less visible spot to check the compatibility of the surface with the product.
Please note	For best results, use WOCA Master Cleaner for regular cleaning of the treated surface.
